February 22, 2018

MR. MERLITO JOHN TUGARE
CEO, DragonScale/ITMG

SIR:
In preparation for the opening of the 1st semester 2018-2019, there is a need to review the curricular offerings of the BSIT program and with the new CMO prescribed by CHED. This initiative, however, does not only respond to the call for curriculum review and revision, but to comply with the requirements in securing Certificate of Program Compliance (COPC) and accreditation purposes.

In view of this, we are inviting you to attend a meeting on February 26, 2018, Monday at 1:00-5:00 PM to be held in the Accreditation Room of PSU Lingayen to give us insights on the proposed plans of the different campuses to implement the new BSIT curriculum as recommended by CHED. We believe your presence will be of great help in the curriculum review of the IT program of PSU.

Hoping for your positive response to this request. Thank you very much.

Very truly yours,

MICHAEL E. ACOSTA
Chair, IT

NOTED:

FREDERICK F. PATACSIL, Ph.D.
Dean, College of Computing

GEMMA M. DE VERA, Ph.D.
Campus Executive Director
